Dear Parent/Carer

Re: Invitation - Progress Meeting - Help your child achieve their full potential –Tuesday 16th October

You are cordially invited to attend the Year 11 Progress Meeting evening on Tuesday 16th October, from 5pm – 7pm. This is a very important evening designed to give you crucial information on your child's progress, and the subsequent support plans which will enable them to reach their full potential.

The partnership between the school and parents is critical. One of the key features of the excellent GCSE results we achieved last year, was through the direct engagement of our parents.

Our head teacher, Mr Barzey, is looking forward to seeing as many parents as possible and will make a short presentation on our overall plans.

The school is totally committed in ensuring your child achieves the best possible outcome.

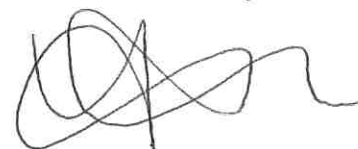

During the evening we will be providing you with the following:

- Opening greeting from Mr Barzey which addresses the goals we have set out for all students
- A report card with your student's Mock Examination Results
- A presentation on how the before and after school Intervention programme will work
- A bespoke timetable which shows which intervention programmes your child will be participating in
- A pastoral presentation from the Head of Year 11 on how we will support your child
- Information from the Heads of Maths, English and Science on the curriculum for this year
- An opportunity to speak with all of the relevant staff who are supporting your child

We do hope to see as many parent/carers as possible therefore, if you plan on attending could you please contact the main school office on: 020-8443-9631 or by email at:

office.heron@chat-edu.org.uk This will enable the school to plan ahead, as the evening is centred around providing you with important data regarding your child. Thank you for your support.

Yours sincerely

Mr McGraw
Head of Teaching and Learning
